

# The Sado Island Gold Mines are our treasure.

Please mind your manners when visiting the sites to preserve them for future generations.

Rules and manners when visiting the sites:

1. Please do not enter private property.
2. Please keep out of dangerous areas, especially in mining areas.
3. To help us to protect important cultural properties, please do not: damage ruins or buildings, take any soil, stones, animals, or plants, or graffiti any property.
4. Please take your trash with you.
5. Fire is strictly prohibited.
6. No smoking at the sites. (Smoking is allowed in designated smoking areas only.)
7. Please wear suitable clothing. (There are some areas that may be difficult to walk in, especially in the mountains and mining tunnels, so we recommend you do NOT wear sandals or shorts.)
8. Beware of dangerous wildlife, including snakes and bees.
9. Please follow traffic rules when you visit the sites.
10. Thank you for your cooperation in following these rules at each of the sites and throughout the facilities!
